Our salutations to you all Dear Parents!

The Secondary School wishes to share the following information with you parents with children in grades 9 and 12:

1.0 End of Term 1 Examinations

The week beginning Monday 15th and ending Friday 19th June, 2020 will exclusively be dedicated to sitting Examinations. These are examinations which should have been sat towards the end of the first term. As you all are aware, the disruption was due to the emergence of Covid -19 in our country.

The examination results will be recorded as School-Based Assessments, a portion contributing towards the final Examinations. We therefore insist that you create an environment conducive for serious study and reading.

You will not receive written progress reports after the End of Term 1 Examinations are marked. Instead, scores attained by learners will be recorded and discussed through Continuous Assessment Booklets.

- The Open Afternoons for the teachers to discuss the School-Based Assessment results with you, *our Dear Parents*, are scheduled for Thursday 25th and Friday 26th June, 2020 between 13 30 hours and 15 30 hours.
- On the aforementioned dates, lessons will only run up to 12 30 hours.
